**General Comments**

- Met with intern Michael Cheng to go over duties for the day . He compiled more information regarding the seismic joints in BIRIS.
  - I received a call from Lisa MacDonald from ABF . She said that OC Jones does not perform blasting and that they would have to get back to me on this.
  - Received plan sheet 864S6R2 from TY Lin on Friday. I reviewed it today and will have to get with METS tomorrow regarding some of the weld details.
- Accrued 1 hour of overtime going over the weld details on sheet 864S6R2 for the Seismic Joint.
